Your PNC® PayCard

The PNC PayCard is a prepaid debit card that's issued with a Personal Identification Number (PIN) for ATM and PIN debit access. As soon as your incentive is loaded onto the card, your funds are available to you.

The PNC PayCard is better than a check

It's safer

- Unlike cash or checks, your Boral Bucks card can be easily and quickly replaced if it's lost or stolen. Plus the Visa® Zero Liability policy protects you against unauthorized purchases.*
- There's no need to carry or hide large sums of cash.

It's more convenient

- Your incentive is automatically deposited to your card and ready to use.
- Use it at millions of places that accept Visa® debit cards.
- You decide to pay fees or not simply by how you use the card. See the fee schedule which accompanies your card.

It's easier

- Use your card to rent a car, make a hotel reservation, pay your cell phone bill and more, wherever Visa® debit cards are accepted.
- Get cash at hundreds of thousands of ATM machines in more than 170 countries displaying the PNC®, STAR®, Allpoint®, or Visa® name. Get cash back when you make purchases at many stores including supermarkets and convenience stores. No more check-cashing lines.

All you have to do is complete the short enrollment form.

- No minimum balance required.
- No credit checks.
- No up-front fees.

Just complete the enrollment form, return it to your Boral Representative, and your card will be on its way to you.
