Elite Opens Beaumont Branch and Welcomes Two New Managing Partners

We are pleased to announce that Elite Roofing Supply will be opening its 17th branch, to be located in beautiful Beaumont, Texas! This is Elite's second branch in the state of Texas. Under Greg Littlefield and Eddie West's leadership, and with Doug Norman as Regional Vice President, we will be serving Beaumont and the surrounding area. Our new branch will officially open its doors on October 19th, 2020.

Greg became part of the Roofing Distribution industry in 1985 when he joined Action Roofing Supply as a Sales Consultant. He remained with Action for 15 years, and the next 15 years were devoted to serving the greater Beaumont area as a Branch Manager. Greg spent the past 4 years with Orange County Building Materials, Inc. in Southeast Texas, where he specialized in the building and roofing supply needs of his customers. Greg looks forward to getting back to his roots through direct roofing supply distribution. When asked why he chose Elite, Greg explained, "It's the people and the talent that Elite has. I've worked with a lot of Elite's current team members over the past 20 to 30 years, and they're my kind of people." Not only that, but Greg now gets to work alongside his brother, Scott Littlefield, Elite's Director of Residential Sales!

Eddie brings over 26 years of industry experience to his new role as an Elite Managing Partner. In fact, Eddie first met Greg Littlefield when he joined Action Roofing Supply in 1994, where he worked for Greg's father! Eddie remained with Action for 6 years, serving the greater Beaumont community. He joined Roofing Supply Group in 2000 and remained with the company (now Beacon Supply Group) for 20 years. Eddie told our team that he was initially drawn to Elite for our "hometown feel" and is most excited about starting this new adventure with a family-owned business.

"At Elite, we are committed to being a people and relationship focused business. We strive to empower our local leadership to run their branch in a way their market and customers appreciate. Coupled with a large inventory and fleet, our branches have the tools they need to service both commercial and residential contractors," commented CEO and President, Sarah Weiss. "Greg and Eddie are passionate about sharing the Elite difference with the Beaumont roofing contractor base, and we have no doubt their industry experience and community roots will ensure that they hit the ground running."

We are thrilled to welcome Greg and Eddie to the Elite team and look forward to what this year, and many more years, have in store!
