Elite Roofing Supply Opens Second Houston Location!

North Houston marks Elite's 27th branch nationwide.

We are pleased to announce Elite has opened its 27th branch in Houston, Texas. We are expanding our footprint to better serve the Houston contractor community with a broader geographic footprint. The new branch is about 30 minutes Northwest of Downtown Houston, making it a central location for customers and vendors. This is Elite's 5th location in Texas and the 2nd in Houston.

"This location will expand our footprint to the North/Northwest side of H-Town, complementing our existing Pasadena branch on the SE side of Harris County. The Houston market is an important segment of our Texas growth as the 4th largest city in the U.S. (watch out, Chicago, we're coming, we'll be #3 soon). As always, we will provide the best customer experience with people, product, and service" – Ken Greer, Senior Director of Texas Operations.

Under the leadership of Joel Hand and with the support of Ken Greer and Doug Norman, our North Houston branch officially opened its doors on September 26, 2022. Joel is a Texas native and no stranger to the roofing industry, with more than seven years of experience. "I am pumped and excited to start serving the Houston area." – Joel Hand, Managing Partner
