To Malarkey Roofing Products United States & Canadian Customers:

Malarkey Roofing Products® is announcing a price increase of up to 12% on all Residential and Commercial Roofing Products. This increase will go into effect for all United States and Canadian customers on Monday April 18, 2022. Malarkey reserves the right to raise the announced percentage increase on individual products prior to the effective date.

Our forward forecasting is that raw material, transportation, and manufacturing costs coupled with uncertain supply issues may necessitate future and increases throughout 2022.

Our field representatives and regional management will be working with you prior to the increase for pricing adjustments for your territory.

Orders shipped on or after April 18, 2022, will be invoiced at the new price regardless of order date.

Thank you for your continued support of Malarkey Roofing Products.
